

ST JOSEPH'S PRIMARY SCHOOL NEWSLETTER

Thursday 17th September, 2020

*St Joseph's is a Child Safe School.
We promote the safety, wellbeing and inclusion of all children.*

Dear Parents,

This is my opportunity to say thank you and goodbye to all my wonderful students and families

I wanted to be a teacher so that I could make a difference to children's lives.

Maybe I could help them to see themselves as learners

Maybe I could help them believe they had something to offer

Maybe I could be there just to listen or laugh or just have time to sit together.

I have been at St Joseph's for 10 years and it has been a ride of a life time. I hope that I have been able to make a difference to some of the students that have been through St Joseph's over the last 10 years.

It has been a privilege for me to have been the principal of St Joseph's and I have learnt so much about myself and how to be better at understanding what my community has needed from me.

Thank you to all of my students, you have given me such joy, it has fun to be in your classrooms with you, to be on camp with you, going on excursions and sports days and generally just being with you. I will miss each and every one of you and it is so hard to say goodbye without actually seeing you all at school face to face.

Thank you to all the parents, you have all been such a great support to me and it has been a real pleasure to have worked with you and I thank you for allowing me to be the principal of the school you chose for your child.

It is very difficult to leave without seeing you all and being about to thank you personally.

Thank you and goodbye.

Carmel Stutterd
